These are Regulations 12, 13(1) to (4) and 14 of The Health and Social Care Act 2008 (Regulated Activities) Regulations 2014. This qualification is given in Regulation 22(2) of those Regulations – namely, that the breach of the regulation results in people who use services being exposed to avoidable harm (physical or psychological), being exposed to a significant risk of such harm occurring or suffering a loss of money or property as a result of theft, misuse or misappropriation.
